Komponentliste

Denne liste indeholder varer fra et partikøb som EL-SUPPLY har erhvervet.
Alle komponenter på listen sælges efter ”Først til mølle” princip. Nogle er der mange af, andre kun få tilbage.

Listen vil bliver opdateret hver uge, så du hele tiden kan se hvad der er tilbage. Antal skal tages med forbehold, da sælger ikke kan garantere at lageret er korrekt opgjort. Så står der ”0” kan der stadig godt være nogle tilbage.

De fleste komponenter kan du finde datablade på, ved at søge på komponentnavnet i Google. Se i øvrigt under ”Links” på vores hjemmeside vedrørende komponentdatasøgningsbaser.

Komponenterne fra denne liste er ikke oprettet med varenummer på vores hjemmeside derfor sender du en mail til salg@el-supply.dk på det du kunne være interesseret i at købe og vi returnerer et tilbud til dig. Priserne er naturligvis langt under den normale udsalgspris!
Håber der er noget for dig også.
